Brian,

The agreed language is captured on attached (part of the MA). We are in great shape; continuing to work in a unified command -- to support the great State of Texas.

Allison: Pls triple-check to ensure that the MATO isn't required to have the IFMIS stamp. Thank you!

V/r,

Quick question regarding this Mission Assignment- it makes no mention to the additions that were agreed upon with the RRF, will this mission assignment honor the language that was in the RRF GLO submitted?

V/r,

-Brian
